

Price List

Conventional plastic bottles (polyethylene) and eco-friendly bottles (Bio-Bottles).

Bio-Bottles are crafted from Braskem® Green Polyethylene, a renewable material derived from sugarcane ethanol. This eco-friendly option offers a sustainable alternative without compromising the quality of conventional plastic. Both options are BPA-free and ISO 9001 certified, ensuring top-notch safety and quality.

Our bottles can also be **fully customised**, from the bottle and cap colours to the design applied. To discover the full range of colours and customisation possibilities, contact us at info@belobidon.pt.

Type	Model	Size	Quantity				
			100	200	300	500	1000

If you want to order a different quantity, please contact us at info@belobidon.pt, and we'll be delighted to assist you!

- The indicated prices include single-colour printing. For prints with more than one colour, an additional charge of €0.17 per bottle will apply for each extra colour.
- Printing film costs of €60 are not included. This charge applies per colour but is only incurred for a new design. If the design remains unchanged for future orders, this fee will not be charged again.
- Design development and shipping costs to EU countries are provided at no additional cost. For a shipping quote outside the EU, please contact us at info@belobidon.pt.
- The prices shown do not include VAT, which will be applied at the current rate.
